I.

My favourite school subject is English for the following reasons. First it is spoken all over the world. Second, this school subject is all fun, and it is easy to learn. Finally, the English teacher is very nice. For these reasons, I think English is the best school subject for me.

II.

My favourite school subject is philosophy for the following reasons. First it activates critical thinking and teaches us to ask good questions and to try to find logical answers. Second, philosophy develops the mind and improves our views about the world around us. Furthermore, this school subject is vital for identifying different relationships and trying to understand complicated phenomena. For these reasons, I think philosophy is the best school subject for me.
