Opening { I hope this email finds you well. Thank you for writing to me, and I'm happy to tell you about our free time activities in Morocco.

Body: Details { Well, in Morocco people do different activities in their free time. For instance, during the week, they usually watch Turkish dubbed series. They also surf the internet or read their favorite books. On weekends, Moroccan people spend their free time watching football games. They are fond of Spanish league and English Premiere league. Some people prefer visiting their family and friends. In summer, most Moroccans go to the beach to enjoy swimming. Others, especially young people, go camping in the mountains.
Generally, these are the activities that Moroccans do in their free time.

Closing { **That's all for now.**
Best wishes.
